[From the Chicago Press and Tribune.] DOUGLAS AND THE MISSOURI COM-

A question has arisen in this community in regard to the course pursued by Choice Insurance Mr. Douglas in the Congress in which he introduced the Kansas and Nebraska bill. It is contended by Republicans that he (Douglas) changed his course in the same session-that is, that he first went against the repeal of the Missouri Compromise, and subsequently, in the same session, went for its repeal. This is denied by the leading Douglas men. who say that six years elasped before he changed his views in regard to this Compromise, having spoken against its repeal in '48 and for it in '54.

Will you please publish the record of this matter in the Press and Tribune? Your obedient servant.

N. B. Ells. We are able to furnish the information desired by our correspondent. On the 4th day of January, 1854, Mr. Douglas, as chairman of the Committee on for Territories, reported to the Senate a bill LOSSES PAID BY THE ÆTNA for the organization of the Territory of

SCANDINAVIAN REMEDIES. WHEN DR. ROBACK, the celebrated Swedish WHEN DR. ROBACK, the celebrated Swedish Physician, introduced his Blood Purifer and Blood Pills in the United States, he set forth in plain language their curative properties. This was years ago. The task of recommending them has since been taken out of his hands. Enlightened men whose character for sound judgment and philosophy gives their opinions weight in the community, men who observe, reflect, and make "assurance doubly sure" before they decide—are everywhere approving and orging the use of these wonderful Preparations. All who confide in the wisdom and honesty of this class, or who choose to investigate for themselves are now of one mind on this important
